

**PROCUREMENT NOTICE  
PRE-QUALIFICATION  
MOUNT COFFEE HYDRO POWER PLANT  
OPERATION, MAINTENANCE AND TRAINING CONTRACT  
LIBERIA**

The Government of Liberia has signed financing agreements for Grants/Concessionary loans from three donor partners including the Government of Norway, the European Investment Bank, and KFW Development Bank for the rehabilitation of the 88 MW hydropower generating plant at Mount Coffee, in Liberia.

This International Invitation for Pre-Qualification relates to the contract for Operation, Maintenance and Training Services of the Mt. Coffee Hydro Power Plant. Initially the assignment requires establishment of the operation and maintenance organisation and recruitment of staff, and shall as well encompass implementation and management of operation and maintenance of the Power Plant as well as training of local employees for an agreed period of time (approximately over a five-year period).

Applicants shall be companies with extensive experience in the design, commissioning and operation & maintenance of hydropower stations and auxiliary systems for dams (the main dam spillway comprises ten large radial gates). Joint ventures (consortiums) between hydro power generating companies and hydro power design consultants will also be considered. The number of participants in the consortium shall not exceed three. Applicants may sub-contract a maximum amount of 25% of the expected tender price.

The criteria to be used in the Pre-Qualification evaluation are: Experience in the successful completion of similar projects, Financial Situation, and Historical Contract performance.

Interested eligible Candidates may obtain further information from, and inspect the Pre-Qualification Documents by contacting the Tenderer:
